

RESOLUTION 2009-26

A resolution establishing the rate of special assessments in sewer districts listed for maintenance of each district's waste water system and repayment of loan.

\*Note-Application of assessment-If a taxpayer has more than one lot, charge per lot fee "with a residential structure" for one lot, charge per lot fee for "those lots without a residential structure" for any additional lots, (i.e. Indian Ridge Loan Repayment: Taxpayer owns three lots, Special Assessment total would be \$750 for the 1<sup>st</sup> lot and \$300 for the other two lots for a total of \$1,050.00) Apply this principle to all assessments levied under this resolution.
