

Resolution No. 2007-25

A resolution establishing the rate of special assessments in sewer districts listed for maintenance of each district's waste water system and repayment of a loan.

**Note-Application of assessment-If a taxpayer has more than one lot, charge per lot fee "with a residential structure" for one lot, charge per lot fee for "those lots without a residential structure" for any additional lots, (i.e. Indian Ridge Loan Repayment: Taxpayer owns three lots, Special Assessment total would be \$810 for the 1st lot and \$337.50 for the other two lots for a total of \$1485.00) Apply this principle to all assessments levied under this Resolution.*
