As Agent, Lessee, Contractor, hereinafter termed the Petitioner, requests permission and authority to use as a haul road for Equipment, Dump Trucks, & Pick-ups, upon or along County roads in Jefferson County, described as follows: Haul Route:

Work site location:

Subject to the following conditions and restrictions:

1.0 Map: Petitioner shall furnish one (1) map 8 1/2 x 11" or larger, of the proposed haul route.

1.1 Petitioner Agrees to effective dust control measures when using rock and/or dirt roads (water road once per hour or chloride treat the road per specifications in the Departments office) when dust is visible.

1.2 Petitioner agrees to maintain road in a trafficable condition to passenger vehicles on a daily basis. (Gravel & grading of rock roads; asphalt patching as needed to hard surfaced roads.)

1.3 Petitioner agrees to erect and maintain roadwork signage along route and roads adjacent to route. (i.e. Truck Route, trucks turning, etc.)

2.0 Materials and methods: All materials and construction methods used on work within the limits of the right-of-way shall be in conformance with KDOT "Standard Specifications for State Road and Bridge Construction" and the Director.

2.1 Petitioner agrees to video tape the haul route before he starts use of any county road as a haul route.

3.0 Completion:

The petitioner shall furnish all materials, do all work, pay all costs and restore said right-of-way to the condition existing prior to approval of work described on this permit. Work to be completed within _____ Day/Month (circle one) of APPROVAL DATE, otherwise permit is null and void. Permit shall not be granted for more than one year. An extension of time may be requested in writing. After the petitioner has completed the work in accordance with this permit, he shall notify the department for inspection of the route.

3.1 Petitioner agrees that an approved-signed copy of the permit will be on premises before any work is performed.

4.0 Bond

A check or other suitable bond, in the amount of _____ dollars \$ _____ made payable to the Jefferson County Treasurer for Road & Bridge Fund is hereby deposited with this permit to guarantee performance and the conditions of the permit.

4.1 The Petitioner agrees that the bond will be forfeited in case of failure or refusal to perform the work to the satisfaction of the Director.

4.2 The Petitioner agrees to notify the Director when the work covered by the permit is initiated and again when completed.

4.3 The County agrees that upon satisfactory compliance with all conditions of the permit, said bond will be released.

5.0 Obstruction of Traffic:

Petitioner agrees that there will be no interference with traffic. Traffic protection to be in accordance with Uniform Manual for Traffic Control Devices.

6.0 Right-of-Way:

Petitioner agrees that no portion of the right-of-way will be used for parking, advertising signs or any other commercial activity.

6.1 Any sign, sod, shrubs or trees destroyed by this work shall be replaced as directed by the Director or his authorized representative.

7.0 The Petitioner, his successors, or assigns shall assume all risk and liability for accidents and damages that may accrue to persons or property on account of this work. In maintaining said work from time to time the Petitioner agrees that he or his successors and assigns shall give forty-eight (48) hours advance notice of such work to be done to the Jefferson County Road Department office. This notice of such work shall be a telephone call, unless an emergency exists in which a telephone call to the Road Department office after work is completed, within twenty-four (24) hours will suffice.

8.0 In the event the County deems it necessary or proper to make any alterations or improvements along or upon the road or right-of-way, of the haul route, the Petitioner agrees to hold the County harmless for any damage to said Petitioner's work along or upon the said road or right-of-way and the petitioner also agree that upon notice being served upon him, he will, with a reasonable time, alter, change the location or move his haul route from the road as requested by the Director or his duly authorized representative without expense to the County aforesaid.

8.1 In the event the applicant is unable to comply within a reasonable time to request to alter, change the location, or move his haul route from the road, Jefferson County Road Department may cause the work to be done, and the applicant pay the cost therefore upon receipt of statement.

9.0 Other conditions and restrictions:

It is agreed between the parties hereto that the County shall have sole and absolute jurisdiction of the County Roads. When the County Road Department office observes a violation of a condition on this permit, the Petitioner agrees to correct that violation as soon as possible. The petitioner agrees to pay to the County the costs therefore upon receipt of statement if he does not correct violation.

Proposed haul route approved on this permit is to be conducted in such a manner as to interfere in no way with construction or County's work on a project.

This permit is hereby accepted and its provisions agreed to this as dated below.
