-------------------------------------	------------------

The GIS Department requires a data request form to be submitted to the department before a request is approved.

Note: Jefferson County, Kansas GIS has no obligation to develop new data. Data development is provided as a service and it is at the discretion of the department whether data will be developed or not for a given purpose.

The Jefferson Co. GIS Department may, at its own discretion, distribute data to local, state, and federal government entities, local residential associations, and water districts as well as contractors or individuals who perform work for these entities at no charge.

Additional Fees

- A. Transfer media (CDs, DVDs, etc.) will be charged at the rate of \$5.00 each.
- B. Shipping fees will be charged when applicable.

Data Disclaimer:

Jefferson County, Kansas disclaims any responsibility for the accuracy or correctness of the data distributed through data requests or online maps. THE COUNTY MAKES NO WARRANTY OF FITNESS OF THE DATA FOR ANY PARTICULAR PURPOSE AND/OR ANY OTHER TYPE OF WARRANTY, EITHER EXPRESSED OR IMPLIED. In no event shall Jefferson County become liable to users of this data, or any other party, for any loss or damages, consequential or otherwise, including but not limited to time, money, or goodwill, arising from the use, operation or modification of distributed data. The data should not be used in place of a legal site survey. Jefferson County, Kansas data is constantly undergoing change.
